Security Council Committee established pursuant to resolution 1737 (2006)

Note verbale dated 21 February 2007 from the Permanent Mission of Liechtenstein to the United Nations addressed to the Chairman of the Committee

The Permanent Representative of the Principality of Liechtenstein to the United Nations presents his compliments to the Chairman of the Security Council Committee established pursuant to resolution 1737 (2006) and has the honour to refer to paragraph 19 of the aforementioned resolution, requesting all States to report to the Committee within 60 days of its adoption on the steps that they have taken with a view to implementing effectively paragraphs 3, 4, 5, 6, 7,8, 10, 12 and 17.

The relevant measures were incorporated into national law through the Government Ordinance on Measures concerning the Islamic Republic of Iran (cf. Liechtenstein Legal Gazette 2007, No. 29). Liechtenstein has fully implemented the embargo and other measures regarding the supply, sale or transfer directly or indirectly from its territory or for the use in or benefit of, Iran, of all items, materials, equipment, goods and technology referred to in paragraphs 3, 4 and 5 of the resolution. The Ordinance furthermore prohibits the provision to Iran of any technical assistance or financial services referred to in paragraph 6 of the resolution. The procurement of controlled items from Iran is prohibited as required by paragraph 7 of the resolution. Funds, other financial assets and economic resources referred to in paragraph 12 of the resolution are frozen by virtue of the list of persons or entities annexed to the Ordinance, which is regularly updated following relevant decisions by the Sanctions Committee. Furthermore, by virtue of its Customs Union with Switzerland, the relevant Swiss laws and enforcement measures are applied with respect to the movements of goods and persons across Liechtenstein's borders as well, affecting in particular the duty of States under paragraph 10 of the resolution to exercise vigilance regarding the entry into their territory of listed individuals.

Security Council Committee established pursuant to resolution 1737 (2006)

Note verbale dated 21 February 2007 from the Permanent Mission of Turkey to the United Nations addressed to the Chairman of the Committee

The Permanent Mission of Turkey to the United Nations presents its compliments to the Chairman of the Security Council Committee established pursuant to resolution 1737 (2006) and, referring to the latter's note of 7 February 2007 with regard to steps undertaken by Turkey for the implementation of the said resolution, has the honour to inform the Committee of the following:

Following the adoption of Security Council resolution 1737 (2006), a number of coordination meetings were held with the participation of all relevant Turkish institutions and authorities, under the lead of the Turkish Ministry of Foreign Affairs, in which the participants were informed of the content of the said resolution and were requested to comply with its provisions. Furthermore, a legal process was initiated in order to incorporate the obligations set out in paragraphs 3, 4, 5, 6, 7, 10, 12 and 17 of the said resolution into national legislation. This legal process is still under way, and the Committee will be further informed of its outcome when it is completed.

The Mission would like to further inform the Committee that Turkey, as a member of all relevant international control regimes, already has in place all the necessary tools to prevent the supply, sale and transfer of sensitive goods and technology related to nuclear and other weapons of mass destruction or ballistic missile-related programmes.

Detailed information with regard to Turkey's national implementation in relation to arms control and disarmament and to prevention of proliferation of all weapons of mass destruction can be found in the national reports of Turkey contained in documents S/AC.44/2004/(02)/63 dated 6 December 2004 and S/AC.44/2004/(02)/63/Add.1 dated 15 March 2006, which were submitted to the Security Council in accordance with resolution 1540 (2004).
